

## NEED A SOFA ID IN KOREA?

### Dear Employees:

This is to inform you what you should do if you need a SOFA ID and dependent IDs. You need to provide the following documents and information:

1. A copy of the picture page in your passport. A copy of this stamped (Immigration Admitted) entry page from your passport is required. This **MUST BE** the first date of entry into Korea before employment or to begin employment with CTC.
2. A copy (front & back) of your Retired Military ID if you possess one.
3. Provide your social security number, job title, date and place of hire, part/time or full/time, work phone number and office Email address. You must provide a copy of your social security number or picture ID with your SS# or any legal document that has your SS#.
4. We need your ordinary residence in the United States (includes street address, city, state, zip code) and phone number (include area code).
5. We need your current residence in Korea (include house number or apartment number, city, state, mailing code) and phone number (include area code). If you do not have a resident phone number then we need your cellular phone number.
6. Provide your home phone number, cellular phone number and an alternate local emergency contact of someone who can reach you in case of an emergency. Provide their name, relationship and phone number.
7. We also need your personal Email address so we can send you information regarding your SOFA application until we can establish an office Email address. CTC Email address for full-time or CTC SOFA sponsored instructors can be obtained by contacting the Logistics Director at DSN 722-3573.
8. If you have US dependents we need a copy of their passport picture and passport stamped (Immigration Admitted) Date of Entry page into Korea. We need to know what their Port of Entry (i.e. Kimpoo or Incheon International Airports) was when they arrived in Korea.
9. We need to know your dependents relationship (i.e. wife, son, daughter, mother/father, mother/father-in-law) and their social security numbers.
10. If you have Korean National dependents we need a copy of their Korean ID (front & back). We also need to know your Korean dependent's relationship (i.e. wife, son, daughter, mother/father, mother/father-in-law).
11. If your Korean dependent has a USA Alien Resident Card we need a copy (front & back) instead of the Korean ID card.
12. If you have dependents, you must complete the Dependency Determination Application located at the Logistical Support webpage [http://pfec.ctcd.edu/Logistical\\_Support.htm](http://pfec.ctcd.edu/Logistical_Support.htm) in Section Korea / SOFA ID. **Military Retirees WILL NOT USE** this form for dependent determination, instead they must provide a copy of their current retired military DD Form 1172 certified by the Military Personnel Office or ID Card Section within the last 60 days.

Finally, complete the following form using Adobe Acrobat Reader, print and fax. If you have Adobe Acrobat Professional you can complete the form, save and email it without needing to print or fax. The USFK Form 175-R-E and DD Form 1172-2 will be completed for your signature by the Logistical Support Specialist later. After the paper work is submitted it usually takes about three or four weeks to process.

Send all information to Floyd E. Sandoval, Logistical Support Specialist, [info.pfec@ctcd.edu](mailto:info.pfec@ctcd.edu), DSN 722-3814, Fax 722-3009. Feel free to call if you have any questions regarding the above requirements.

Best wishes,
